

Looking for Kyiv animals

Author: Visit kyiv

Short description

While looking for animals in the streets of Pechersk, you will find out many new and interesting things about Kyiv, such as: who is the guardian of our city, where has the Institute from Institute street gone, who are the heroes of the Heavenly Hundred Avenue, where we can see a zebra in Kyiv, why Kyiv chestnut trees are called "horse's", where hunters live and how to find them, how the architect Mr. Gorodetskiy made his dream about safari come true, how does the most delicious house made out of gingerbread looks like, as well as where are the colorful elephants hiding. And that's not all the list! Be attentive, not to miss a single animal, because each one of them looks forward to meet you!
